reality is entirely up to us, dependent on our energy and honesty. If we let it drop from memory, "Ah," said Diamond, floored. The Summoner's art is perhaps the most arcane and dangerous of all the arts of magic. "Who told you about it?" And it's true that in the time of Medra and Elehal the people of Roke, men and women, had no fear of the Old Powers of the earth, but revered them, seeking strength and vision from them. That changed with the years. That was where Hound found him, miles away from the valley, west of Samory, on the edge of the great forest of Faliern. "But you'll fly again?"
