A similar case is that of H. G. Wells's *The Island of Dr. Moreau*, filmed with superbly demonic atmosphere as *Island of Lost Souls* in 1932. Charles Laughton, maybe the best actor yet to appear on film, gives an extraordinary performance as Dr. M., and Bela Lugosi captures the spirit of the beast men as the Speaker of the Law with the abhuman quality that characterized his *Dracula*. Now Burt Lancaster is one of film's most underrated actors, but his straightforward non-intellectual approach to the doctor role undermined the '70s trip to the Island; Richard Basehart didn't help matters by looking like a beneficent Old Testament prophet in the Lugosi role. But even Laughton and Lugosi would have been hard put to come across, with the later film's completely uninteresting script and camerawork..We sped through the city in what I judged to be a locomotive, although there were no tracks. The humor seems infantile and unimaginative to you; you are not interested in the actresses' occasional seminudity. What strikes you as hilarious is the coyness, the sidelong glances, smiles, grimaces hinting at things that will never be shown on the screen. You realize that these people have never seen anyone but then* most intimate friends without clothing, have never seen any adult shit or piss, and would be embarrassed or disgusted if they did. Why did children say "pee-pee" and "poo-poo," and then giggle? Yon have read scholarly books about taboos on "bodily functions," but why was shitting worse than sneezing?.I sighed. "So have I." I turned and looked at what he was working on at die drafting table. It was a small painting of a boy and girl, she in a soft white dress, and he in jeans and tee shirt. They looked about fifteen. They were embracing, about to kiss. It was quite obviously the first time for both of them. It was good. I told him so..I sat and watched Detweiler. The trembling had stopped. "After all, we're speaking of only two cases, and neither of the individuals in question was particularly bright. Bright people wouldn't be so quixotic, would they?" She underlined her question with a Mona Lisa smile, and Barry, for all his indignation and outrage, couldn't keep from smiling back. Sirocco asked, speaking in a clipped, high-pitched voice mimicking the formal tones of Colonel Wesserman, who was General Portney's aide. He injected a note of suspicion and accusation into the voice. "Was Corporal Swley instrumental in the formulation of your tactical evaluation?" and the water bubbled..Everyone else in the tavern came running outside too. Sure enough it was Amos, and sure enough a rainbow looped above them to the far horizons..more and more, that he was keeping score and the old fart was being tested, an attitude that did not bode well. Finally, with ten minutes left on the clock, he'd just up and left, which was not, strictly speaking, a violation. It did imply that some kind of closure had been achieved, which definitely was not the case; he'd panicked, pure and simple. A fiasco from which he'd naturally feared the worst in the form of a letter addressed to Dear Applicant. ("We regret to inform you, etc. . . .") But possibly the old fart had been making things deliberately difficult, testing him, possibly his reactions hadn't been that entirely inappropriate. Possibly he'd passed..An alarm started in his helmet, flat and strangely soothing coming from the tiny speaker. He stood there for a moment as a perfect smoke ring of dust billowed up around the rim of the dome. Then he was running.. "Senator Moran told me I could live here in privacy. Is that true?" I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy?the promise of escape into a wonderful Other world?is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted *The Hobbit* for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modem Language Association seminar by calling *Dune* a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rad's *The Iron Dream*, a novel which vehemently denounces the genre in the same terms Wilson does), and the writers of *Bored of the Rings*, the Lampoon parody, from which came "Arrowroot, son of Arrowshirt".?Marc Russell.Crawford was the only one to look up when the lock started cycling. I finally started looking at the street signs. I was on Mullholland. I kept going west for a long time, crossed the San Diego Freeway, into the Santa Monica Mountains. The pavement ends a couple of miles past the freeway, and there's ten or fifteen miles of dirt road before the pavement picks up again nearly to Topanga. The road isn't traveled much, there are no houses on it, and people don't like to get their cars dusty. I was about in the middle of the unpaved section when Detweiler seemed to calm down. I pulled over to the side of the road and cut the engine.
